

Join us at the Lake! Lakeshore Veterinary Specialists is seeking a qualified hospital manager to join our current hospital management team.

With two locations in the greater Milwaukee area, LVS is a rapidly growing practice relying on a team approach to provide exceptional service and progressive, state-of-the-art care. We are looking for a highly motivated details oriented individual with exceptional skills in organization, leadership, and communication. Necessary qualifications for this position include at least 2 years of professional management experience in the medical or veterinary medical field with certification and a Bachelors degree or comparable work experience. Management duties will include managing hospital finances, human resources, inventory, client services and practice marketing. Some evening and weekend hours are required; however, the current schedule allows ample free-time to enjoy life away from the hospital. Join our energetic, open-minded team and we will welcome your enthusiasm, expertise and new ideas.

LVS is a 24- hour multi-specialty referral and emergency hospital with locations north and south of downtown Milwaukee along the shores of beautiful Lake Michigan. Both locations are minutes away from the nightlife, theater, museums, and sporting venues found in the metro area. Discover the region's historic small towns and enjoy the fall foliage and hiking in the nearby Kettle Moraine outdoor recreation area. Whether it's relaxing rural charm, urban excitement, or suburban convenience that you're looking for, you will find it here.

We offer competitive compensation in addition to our generous benefits package which includes health and dental insurance, vacation, CE, uniform allowance, licensure, membership dues, and retirement plan. Lakeshore is an employee owned and professionally managed practice. Professional development and personal satisfaction remain a primary focus as we continue to grow the practice. Our goal is to build relationships that will progress to ownership for the right individual.
